

This topographic map illustrates a residential development site. The map features several building footprints, each labeled with a number and area: T1 (2945m²), T2 (4199m²), T3 (4561m²), T4 (5107m²), T5 (11323m²), T6 (16225m²), and T7 (72,23). The site is divided into sections by dashed red lines, with some sections labeled 'Skanning 1,2' and 'Skanning 1,3'. Contour lines are shown at 50m intervals, with specific elevations marked: 100, 150, 200, 250, and 300. A central vertical road or path is labeled 'Grøft' and 'Skanning F3'. The map includes various technical annotations such as 'R=300', 'R=∞', and 'R=∞'. A 'Vendekamner Lastestøttemur' (retaining wall) is shown on the right side. The map also indicates 'Grøntkorridor' (green corridor) and 'Grøntkorridor' (green corridor). The site is bordered by a 'Buffsone 20m' (buffer zone) on the left and a 'Vej' (road) on the right. The map is overlaid with a grid of dashed red lines, with some lines labeled '1:2'.
